Dear Valued Client:

We understand that this is a stressful time, and we offer our sympathies.

We promise to treat your loved one with dignity and respect. Our staff consists of licensed physicians, **board-certified** in Anatomic, Forensic and Clinical Pathology. We will provide you with a **preliminary verbal report** within 24-48 hours of performing the autopsy. You will receive a concise, easy-to-read, **written report** within 4-5 weeks.

In addition, our pathologists will provide you with **unlimited consultation** by phone. We are committed to answering all your questions fully and in language you can understand.

It is our standard policy to ask for a payment **prior to** performing the autopsy. Thank you for your attention to this matter. And again, may we offer our sympathies.

Please make a check payable to **PathServe** or visit www.autopsy.app for a credit card option.

Cost for a complete autopsy is \$6900. There might be a transportation charge if your chosen mortuary doesn't have an autopsy room. Additional tests, such as toxicology or immunostains are client's responsibility and cost \$970 per panel.
